Welcome: Today we welcome Lyriel Claire as our guest organist.

Outreach Envelope: Today's Yellow Envelope goes to the Reading Connection.

Outreach Basket: We will be collecting SMART Trip cards for the basket collection for May. SMART Trip cards have been identified as an important need for refugee families being resettled in this area, and they are used for both bus and metro access. Likewise, Doorways and ASPAN also distribute SMART Trip cards to their clientele to assist with transportation needs. SMART Trip cards in any amount will be greatly appreciated and we will distribute to our partner organizations based on the number that are collected. SMART Trip cards may be left in the basket or dropped off at the Parish Office.

A-SPAN Shelter: Summer is coming and as part of your activity planning please consider volunteering to serve dinner to 40 or 50 people at the A-SPAN shelter. Remember this is just serving the meals, meal preparation is handled by the A-SPAN chefs. We need three volunteers for Friday 2 June and Friday 7 July at the A-SPAN Shelter between 5:30 and 7:30 PM. Questions? Contact Linda Kelleher (lindaykelleher@gmail.com).

Join in the power of prayer. Two upcoming campaigns invite our participation. 1) The World Council of Churches and other faith partners have designated May 21 as a Global Day of Prayer to End Famine. Information and prayer resources are available at the WCC website, <http://www.oikoumene.org/en/resources/documents/wcc-programmes/spiritual-life/global-day-of-prayer-to-end-famine>. 2) The Episcopal Church has joined the Anglican Communion in "The Kingdom Come," which invites prayers between Ascension Day (May 25) and Pentecost (June 4) for more people to come to know Jesus. Information and prayer resources are at <https://www.thykingdomcome.global>

Monday Mugs with St. Mike's: The next Mugs is Monday, May 22, 7:00pm at Two Chefs on Wilson Blvd. The topic is: Which of the twelve disciples is your favorite and why? What can you tell us about your favorite? All are welcome.

Stand to Support Refugees: There are over 65 million forcibly displaced people in the world today, the highest level ever recorded. 21 million are refugees. Over half of all refugees are children. Stand with EMM to ensure refugees are welcomed to a place of safety and opportunity. Visit www.episcopalmigrationministries.org for more information.

Rise Against Hunger, Follow-up: From the Rise Against Hunger (RAH) coordinator for the 25 March food packing event. "The 12,000 meals packaged by the Arlington diocese volunteers on March 25, 2017 have been shipped to beneficiaries in El Salvador. An additional 8,000 meals were part of the shipment making a total of 20,000 RAH meals. The meals were sent to the 100 different feeding centers such as public & private schools in areas where food insecurity is greatest as determined by annual needs assessments. Thank you for your continued support! Providing nutrient rich meals such as those provided by RAH in food insecure communities is Convoy of Hope's (COH) initial step in its strategy to address hunger and under-nutrition. COH holistic approach includes interventions that are nutrition-specific, addressing immediate needs, nutrition-sensitive, supporting long-term food security initiatives such as agricultural training and access to clean water, and that build an enabling environment for sustainable development such as micro-enterprise initiatives. People around the world rely on RAH; we hope we can count on you again in the future!"
